## FELLOWSHIP:

We are eager to have as many young people as possible attend since they are likely to benefit most from this meeting. A certain number of presentations by graduate students and postdocs in this conference will be selected as fellowship (USD \$100-\$500) awards.

## MAJOR TOPICS:

- DNA replication & replication fork stability
- Repair of DNA lesions
- Chromatin structure & DNA metabolism
- Genomic instability & disease

# DNA Metabolism, Genomic Stability & Human Disease

Suzhou, China

June 11-15, 2018

Abstract deadline: April 20, 2018

Cold Spring Harbor Asia (CSHA) is the Asia-Pacific subsidiary of New York based Cold Spring Harbor Laboratory (CSHL). Inaugurated in 2010, CSHA is dedicated to promote international scientific exchange in the Asia-Pacific Rim by offering scientific conferences and advanced training courses with highest quality.
