Membrane Proteins: From Physiology to Pharmacology

Major Topics:
√ Membrane proteins in signal transduction
√ Membrane transport
√ Lipid metabolism
√ Organelle dynamics
√ Membrane proteins and disease
√ Drug discovery

Organizers
(Speaker, Affiliation, Country/Region)

Nancy Carrasco
Yale University, School of Medicine, USA

Baoliang Song
Wuhan University, CHINA

Chris Tate
MRC Laboratory of Molecular Biology, UK

Nieng Yan

Fellowships
We are eager to have as many young people as possible attend since they are likely to benefit most from this meeting. A number of presentations by graduate students and postdocs in this conference will be selected for major fellowship awards.

Cold Spring Harbor Asia (CSHA) is the Asia-Pacific subsidiary of New York based Cold Spring Harbor Laboratory (CSHL). Inaugurated in 2010, CSHA is dedicated to promoting international scientific exchange in the Asia-Pacific region by offering cutting-edge scientific conferences and advanced training courses.
