

# Himeji Castle

Built in 17th century, Himeji Castle was the first in Japan to be registered as a UNESCO Cultural World Heritage in 1993.

It is called "Hakuro-jo" (White Heron Castle) because of its brilliant white exterior and supposed resemblance to a white heron taking flight.

## VISIT JAPANESE HERITAGE

### Friendly and comfortable bus tours

You can visit Himeji Castle on **chartered buses** with **English speaking guides**.

An additional 10,000 Japanese yen (approximately 74\$) cash charge is required.

Wednesday, October 12, 2022

Iron, Reactive Oxygen Species & Ferroptosis in Life, Death & Disease.  
in Awaji Yumebutai Conference Center.
